

Audition Sides, Bullets Over Broadway (Nick, Ellen for Olive, Warner for Nick)

NICK

Hey Olive you were great tonight.

OLIVE

I'm fed up. You can push your torpedoes around but I've had it up to here.

NICK

What the hell is it now?

OLIVE

I'm not sharing a dressing room and I'm sick of getting bumped and stepped on. None of them knows how to dance.

NICK

They're the best line in New York. You're the one who's out of step. You don't know your left from your right.

OLIVE

Where I came from, in New Jersey, they didn't have left and right.

NICK

C'mon Olive, it's our anniversary.

OLIVE

It is not. You're getting senile.

NICK

It's June 28th- it's been six months to the day. That was when we first went to bed and I fell for you 'cause you gave me a discount.

OLIVE

Six months and I'm still in this crummy rat trap.
